Donnell didn't know what happened to Kim, and he wished he knew who killed her. Donnell stated his blood and semen shouldn't be in Kim's house however, he thought he could have bled in Kim's house when he lived there. Donnell recalled Kim was very clean and she would clean her house every day.

Donnell recalled on April 20th, 2022 he thought he was at the hospital, and his family could vouch for that. Donnell then changed his mind and stated he could have been at his mom's house. Donnell stated his head was foggy. On the night of April 20th into April 21st, 2022 Donnell recalled being at his mother's house at some point and he recalled his son being there. Donnell's son told him he was lying on the floor twitching, and there was blood coming out of his mouth. Donnell stated he was either at Kim's or his mom's or maybe both, he didn't know.

Donnell wasn't sure when he was last at Kim's apartment. Donnell recalled he last stayed one night at Kim's in December of 2021.

When told his blood had been identified in Kim's apartment on Kim's stairwell, Donnell said he didn't know how his blood got in Kim's stairwell. Donnell was told there was a sex kit done on Kim, and he was asked if his semen would be in it when the results came back. Donnell stated, "I can't tell you either or". Donnell was asked if he knew whether or not he killed Kim. Donnell stated, he didn't kill Kim. He then told Det. Austin and Det. Lindsey to "fuck off" and to "go fuck yourselves". Donnell recalled he showed up at Kim's place one time with a broken jaw, and he had a hematoma. Donnell recalled that happened a year ago. Donnell stated he didn't know if Kailie knew what happened to Kim. Donnell stated he wanted to be behind Kailie because he loved her. Donnell stated he has never known Kailie to be violent. Donnell agreed to let the detectives check his body for any scrapes or marks. also had marks on his lower legs and also one on his right ear. Donnell let Det. Lindsey take photos of the marks. Donnell said he had feelings for Kim but not in a sexual way. 16. On April 28, 2022, your affiant learned from Det. Dana Austin that he and Det. Adam Bell had interviewed Krysti Longfellow (DOB 5-27-1993). During the interview, Longfellow stated the following: She saw Brackett at the Post Office last Friday. Brackett told Longfellow that Kim had just gotten 300 Xanax, and she had a couple thousand dollars on her. Donnell Dana and Brackett went to Kim's to rob her. Brackett told Longfellow that it was supposed to be a normal robbery, it was planned, and no one was supposed to get hurt. Longfellow said Brackett was supposed to meet up with Kim because they were "seeing each other". Brackett texted Kim that she was coming over to chill with her (Kim) for the night because she had a babysitter. Brackett told Longfellow that Kim said she hadn't shaved, so Kim told Brackett to let her get ready first. Brackett went over to Kim's at 1055PM on 20 April 2022 with "Skin". Your affiant knows that Donnell Dana (DOB: 5/8/83) goes by the nickname, "Skin." Brackett told her Kim opened the door for Brackett and Dana Donnell, ("Skin") was right behind her. Brackett told Longfellow that she and Dana took bloody clothes, the club, and other evidence from the scene. Brackett told her that Dana got rid of the evidence down at Spring Water.

Brackett told Longfellow that she has all the passwords to Kim's Facebook, email, and her cameras. Brackett told Longfellow that she deleted everything from Kim's accounts, including her camera.

17. Brackett told Detectives that she dropped off her son at Dana's mother's house on the night of the crime. Your affiant knows, from autopsy photos, that Kim's pubic hairs had been recently shaved and/or groomed.
18. On April 28, 2022, your affiant learned from Det. Dana Austin that Donnell Dana and Kristi Longfellow bumped into each other in the evening hours of April 27th, 2022, on the tracks behind Longfellow's apartment. This is an area frequented by pedestrians and ATVs. Longfellow and Dana had a conversation near the tracks. This conversation happened after Dana was informed during a police interview that his DNA had been located at Kimberly Neptune's home. During the conversation, Dana told Longfellow

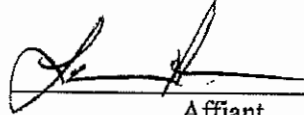

that his blood matches the blood that was found on Kim. Dana told Longfellow that he lived with Kim for four years, but he was nervous because Detectives told him it was fresh blood, and he didn't know they could detect fresh blood. Dana told Longfellow they just needed to charge him, and he didn't know why he hadn't been arrested. Dana told Longfellow that he wants to be charged, he did it, and he wanted to get this over with. Dana told Longfellow that he didn't know if he might get away with it because the Detectives let him go. Longfellow asked Dana if he did it, and he replied "Yes, I did it".

Dana told Longfellow it was a planned drug robbery. Dana told Longfellow he and Kailie Brackett set Kim by making it sound like a "booty call" was happening with Kailie Brackett. Dana told Longfellow that he was jealous of the relationship that Kailie and Kim had. Dana told Longfellow that it was a fight that got out of control. Dana told Longfellow that he wanted a ten pack of Xanax bars. Dana told Longfellow that he beat Kim's face in with his fists. Longfellow stated Dana said he went overboard by accident. Dana said Kim was making some noises and there was blood everywhere. Longfellow stated they rolled Kim in a blanket because he didn't want to see Kim's body. Dana told Longfellow they stabbed Kim after she was dead. Dana said they checked Kim's pulse and that she was gone. Dana said that Kim died at two in the morning.

Dana told Longfellow that Kim's soul is haunting him and Kailie Brackett was an accomplice. Longfellow's fiancé, Stephen Leone, and her mother, Kateri Longfellow, were present when Donnell said this. Longfellow's mom told her to get away from Dana
