

STATE OF MAINE

SUPREME JUDICIAL COURT
Sitting as the Law Court
Docket No. Ken-24-450

Andrew Robbins et al.

v.

**ORDER ON MOTION FOR
CLARIFICATION OF ORDER**

Commission on Public Defense
Services et al.

The State of Maine has moved for clarification of this Court's order of October 24, 2024, permitting the trial court to "take any action on, and proceed with, its matter in the usual course as though no appeal had been taken." Specifically, the motion requests clarification that the Court was not "instructing the Superior Court to incorporate Count V against the State as part of the trial" that is scheduled for December 9, 2024. The Court has not waited for any response to the motion.

It is ORDERED that the order of October 24, 2024, is amended to add the following sentence: "This order does not direct the Superior Court to take any particular action and does not prohibit the Superior Court from taking any particular action."
